Hi Selena,

I don't believe that we are (currently) bound by any contractual exclusivity provisions in terms of offering discounts to Students, Faculty, Staff. That may change if there is an IA athletic sponsorship for the UPMC Arena. Until then... I'm okay with adding Verizon, AT&T, and Sprint discounts to the [rmu.edu/discounts](http://rmu.edu/discounts) page.

Sharon Silk is currently working with Dennis Jochmann on an agreement with Verizon Verizon Wireless. Sprint and AT&T were also included in the process but we ultimately selected Verizon for the RMU owned cellular devices.

**Sharon** ~ are you comfortable with listing all 3 carriers on the /discounts page with the % discount for Students and Employees? We'll need to get the student discount info (if any) from Vz. I would expect them to match the 10% (at a minimum) that the other carriers have offered. If there are no objections, I'll ask the web team to update the pages.

Hello Selena,

I am the manager from Sprint, who coordinates faculty and staff discount programs for universities. I am contacting you, to see if Robert Morris University is interested in posting program resources on the <http://it.rmu.edu/discounts> page, or if you wish to have our local representative attend benefit fairs. Your employees and students can receive a monthly discount, so I'm sure they'd like to know how to take advantage of that benefit!

- The Sprint discount for **faculty and staff** is **19%** off select monthly billed data services using Corporate ID: GVVRT\_ZZZ.
- The Sprint discount for **students** is **10%** off select monthly billed data services using Corporate ID: GSTDT\_ZST.
- To apply your discount, or to learn about current promotional offers, visit [www.sprint.com/save](http://www.sprint.com/save).

I would be happy to send marketing materials that suit your requirements. Please let me know if you would like more details, or if we could schedule a brief call.

Thank you,

**Andy Richardson**

Sharon,

Have you heard anything for Verizon discounts? The information for this is still up on the site and wanted to make sure its still relevant before closing the ticket.
